Traffic Data Collection Services for the)	
South Carolina Department of Transportation))	

This matter is before the South Carolina Procurement Review Panel (the Panel) for further administrative review pursuant to sections 11-35-4210(6) and 11-35-4410 of the Consolidated Procurement Code. Short Counts is one of two protestants aggrieved by the South Carolina Department of Transportation's intended award in a solicitation seeking to acquire traffic data collection services for the department. The Panel has today issued an order remanding the protest of Palmetto Traffic Group back to the CPO for further consideration. The Panel notes that the interests of Short Counts and Palmetto Traffic Group are closely related and that their protests and appeals involve the same solicitation. Therefore, for reasons of judicial economy, the Panel hereby STAYS the appeal of Short Counts, Panel Case No. 2014-4, until such time as the CPO has issued a determination in Palmetto Traffic Group's protest.

IT IS SO ORDERED.
