This Amendment Number 2 is to add Tivoli products as permitted by the WSCA/NASPO Master Price Agreement including all services related to installation, implementation, integration and maintenance of such software, in accordance with the WSCA/NASPO Master Price Agreement.

Therefore, the following changes to the Addendum are effective upon all signatures:

1. This Addendum covers the WSCA/NASPO PC Contracts 2009-2014 (Computer Equipment, Peripherals and Related Services) lead by the State of Minnesota for use by state agencies and other entities located in the Participating State Authorized by that state's statutes to utilize state contracts. **IBM CORPORATION** is authorized under this WSCA agreement to sell the following:

The Tivoli products posted on the SC website have been approved. Other software products will be added as they are approved by the State. The approved products with the Price sheets are attached and will be posted on the State's website.

NOTE: IAW Amendment 1 ALL software orders must be submitted through the State of South Carolina's Software Acquisition Manager (SAM). The state has awarded the contract for the Software Acquisition Manager to New Venue Technologies, Inc. to provide a centralized means of tracking software licenses and their associated usage across all Agencies. Therefore, it will be mandatory for State agencies and Local governmental units to submit their order for software, software maintenance, and technical support to the Software Acquisition Manager. There is a 2.5% administrative fee that must be paid by IBM to the Software Acquisition Manager for all software purchased from the WSCA/NASPO PC contract. This 2.5% fee is in lieu of the 1% fee paid for hardware and operating system software contained in this State of South Carolinas Participating Addendum.

IN WITNESS WHEREOF, the parties have executed this Amendment Number 2 as of the date of execution by both parties below.

FOR SOUTH CAROLINA GOVERNMENTAL BODIES:

The undersigned person warrants that he or she is authorized to execute the contract and legally bind the governmental bodies thereto.
